ite A one-year license to the Sailfish OS app store is €11 (Rs.735), while a two-year license is €16 (Rs.1,126). Features include file transfer, QR code scanning, video calling and sharing. The OS is also pre-loaded with Nokia Drive and Nokia Music, both of which can be used for free for two years. While Drive allows drivers to access maps and other information from the phone, Music provides access to over a million songs. "This is our most secure smartphone and it's the first smartphone to allow its users to install their own applications. We are proud to present Sailfish OS, the open platform that facilitates the next generation of mobile applications," said Jussi Valtonen, SVP at Nokia's Technology and Devices division in a statement. "Our ambition is to deliver a truly open mobile operating system and Sailfish OS is the best way to do it. We have been working with

Nokia for more than two years now and Sailfish OS will enable new opportunities for developers and the end user. We will work with partners around the world to bring Sailfish OS to the widest possible audience, in both consumer and enterprise markets," Valtonen added.

Q: Run an Apt-get command from a script I've been trying to create a simple script to automate some processes in my system. I need to run some apt-get commands at startup, but the problem is that after running it, the shell doesn't close. Here is the script I have right now: `#!/bin/bash sudo apt-get update sudo apt-get upgrade` Can someone tell me what's the problem? It works properly when I type it in the terminal. A: Update This line: is supposed to update the apt cache, not upgrade packages. Remove the sudo and it should work as you wanted. What's "Halo 4" All About? Ever since the third Halo game was first released on the Xbox 360 back in 2007, the game has been incredibly popular. People will often take the time to download new content for the game such as maps and new weapons just for the fun of it. With the fourth installment of the popular Xbox exclusive franchise, 343 Industries has decided to change things up. Instead of focusing on the Covenant, the new game will instead 82157476af
