About This Content

Welcome to **Expeditions!**

This DLC adds a completely **new game mode** where you will be able to **compose** your fleets as you wish, make **formations**, choose which battles to participate, **unlock** new ships and their variants and fight diverse battles. Maneuver between asteroids and mine fields, hide in nebulas, lure your enemy into dangerous gas clouds to win each of 50 battles!

Main features:

- Customize your fleet by choosing the best ships for each battle. The bigger is not always the better;
- Unlock and buy new ships and their variants as you raise your Rank;
- Become a Grand Admiral of The Corporation Navy;
- Rename your ships to feel that this is YOUR fleet;
- Choose which battle to take part - the more the risk the higher the reward, so it's up to you to decide!
- Take into account different battle traits like increased damage for all ships, increased or decreased fleet sizes etc.
